

Game Details

- **Equipment Needed:** Beanbags, Cones
- **Skills:** Balance, Locomotor
- **Grades:** K-5
- **Game Type:** Group Activity

How to Play

Leader or teacher is the guard starting on one end of the play area guarding treasure (15+ beanbags). Players start on the other end and sneak up to the guard to steal one piece of treasure at a time to bring back to the start. Players can only move when the guard has their back to the group; when the guard turns around everyone must freeze. If caught moving, players restart, and if they had treasure, they must return it to the guard. Game continues until the players can steal all of the treasure or time runs out.

Modifications

- ▲ Include foam blocks for the players to balance on when they have to freeze.
- ▲ Increase the distance between the start line and the guard.
- ▼ Decrease the distance between the start line and the guard.
