How to Play

Choose 2 or 3 people to be the 'Canadians' in the middle (taggers). Everyone else is a 'Taildog' and lines up on one side of the gym with a scarf tucked into the side of their pants. Remind them that their tail must go all the way to their knee. Canadians call out "Canadian!" and Taildogs reply "Taildogs!" and then run across the gym trying to get to the other side without their tail being pulled. If their tail is pulled, they become a 'Canadian' in the middle. End the game when there are 3-4 Taildogs left or when you run out of time.

Modifications

- ▲ Adjust the size of the playing area depending on numbers of participants (less space means more action)
- ▼ Give players two tails, one on either side of their waist band (this way they have two lives)
